Steps to renew

1. Review your IBM Software (S&S) Renewal Quote and Information Details.
2. Choose one of the following options to renew before your Coverage Start date:
 - Contact an IBM Business Partner for final pricing and fulfillment for those line items acquired or renewed previously through an IBM Business Partner
 - Contact your IBM Renewal Representative for fulfillment of those line items acquired or renewed previously through an IBM Representative Romina.Nitiu@sk.ibm.com
 - Sign in to your <Passport Advantage Online Site> and renew.
3. If we do not hear from you or your IBM Business Partner before 01.04.2026, we may renew your IBM Software S&S directly from IBM to the next anniversary date and invoice you for the amount due.

Important Reminders:

- If you request to renew some but not all of the quantities on the quote above, you must provide system generated documentation that verifies current uses and installations at least 30 days prior to the S&S Coverage Start date, or renew all expiring quantities.
- If you allow your S&S coverage to lapse, your S&S benefits will no longer be available including (1) access to new software versions, releases, fixes and (2) 24x7 technical support.
- If you wish to reinstate your lapsed S&S at a later date, you may do so for all uses and installations, however, the cost of reinstatement will be as much as three times the then current IBM Software S&S Unit SVP Prices.

We recommend that you renew IBM Software (S&S) for all uses and installations of IBM programs in your Quote.

If you have questions, please contact your IBM Renewal Representative or your IBM Business Partner(s) for those line items acquired or renewed previously through an IBM Business Partner(s).

IBM Terms and Conditions:

Your renewal order will be governed by and is subject to the terms of your IBM International Passport Advantage or the IBM International Passport Advantage Express Agreement, as applicable, against which this transaction will be placed.

IBM's Data Processing Addendum (DPA) at <https://ibm.com/dpa> and the DPA Exhibit at https://www.ibm.com/terms/?id=DPA-Exhibit_ISS apply to IBM's processing of personal data on behalf of Client.
